7. Defendant who wishes service must do within the time specified on the notice form serve on the plaintiff's attorney for an unrepresented plaintiff, a response to the complaint and must also file a signed copy of the response with the court. If the answer or motion is not served within this time, a default judgment may be taken against that defendant. By waiving service, a defendant is allowed more time to answer than if the summons had been actually served when the request for waiver of service was received.
